

## Ladybug Crown

### Materials

- red and black construction paper
- scissors
- 2 black pipe cleaners
- tape
- pencil
- glue

### Directions

- 1) Cut 4 hearts from black or red construction paper\*
- 2) Cut 2 or 3 strips of red construction paper about 4 inches thick and tape the strips together end to end\*
- 3) Measure the child's head with the long strip of red paper and cut off the excess \*
- 4) Cut small circles out of the black construction paper and glue the circles to the red strip\*
- 5) Wrap the pipe cleaners around a pencil to create a "spring"
- 6) Glue or tape a heart to the top of each pipe cleaner. Flip over and repeat (there should be 2 hearts on each pipe cleaner)
- 7) Glue or tape the pipe cleaners to the back of the red strip so they sit at the front of the head
- 8) Glue or tape the two ends of the red strip together to make your crown!

\*Adults should help young children with these steps
